RE: Designation of the Upstate New York Regional Center (UNYRC) under the Immigrant Investor
Pilot Program.

BACKGROUND:

Pursuant to Section 610 of the Appropriations Act of 1993, on June 11, 2008, Upstate New York Regional Center, LLC submitted a proposal seeking approval and designation by U.S. Citizenship and Immigration Services (USCIS) of the Upstate New York Regional Center (UNYRC), with a geographic area focusing on forty eight (48) counties in upstate New York. The UNYRC for EB-5 Immigrant Investor purposes sought to focus investment in the following twelve (12) target industry economic clusters:

1. Healthcare,
2. Hospitality,
3. Commercial Real Estate--Including medical office buildings,
4. Biotech,
5. Back-Office Service activities,
6. Food production and processing,
7. Information technology,
8. Communications,
9. Electronics,
10. Medical Devices,
11. Pharmaceuticals, and
12. Manufacturing.

On September 15, 2008, USCIS issued a request for evidence (RFE). On December 3, 2008, a response to the RFE was received which satisfactorily supplied the requested evidence and narrowed the target industries to nine (9) and the geographic area to twenty two (22) counties in the western portion of upstate New York. Those counties are: Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung, Cortland, Erie, Genesee, Livingston, Monroe, Onondaga, Ontario, Orleans, Schuyler, Seneca, Steuben, Tioga, Tompkins, Wayne, Wyoming, and Yates. The UNYRC for EB-5 Immigrant Investor purposes shall focus investment in the following nine (9) target industry economic clusters as described by NAICS code headings:

1. Agriculture, Natural Resources and Mining;
2. Manufacturing;
3. Trade, Transportation and Utilities;
4. Information;
5. Financial Activities;
6. Leisure and Hospitality;
7. Professional and Business Services;
8. Education and Health Services; and
9. Other Services.

The proposal and response to the RFE contained the following evidence in support of its requested designation:

- A Job Creation Analysis and Econometric Model using IMPLAN prepared by a professional economic analysis firm which specifically calculates but excludes construction jobs from the detailed prediction;
- A business plan reflecting the timing, scale and planned use of the alien investor capital;
- Articles of Organization;
- A Regional Center Operating Agreement;
- A sample LEC Operating Agreement;
- An Investor Questionnaire;
- A Pro Forma Money Laundering Suspicious Client/Matter Report Form;
- A sample Subscription Agreement;
- A revised sample Subscription Agreement; and
- A Marketing Plan and Budget.

DECISION:

Based on its review and analysis of your proposal, and of your response to the USCIS Request For Evidence to which you provided a satisfactory response, USCIS hereby approves and designates UNYRC as a Regional Center within the Immigrant Investor Pilot Program. UNYRC shall have a geographic scope which includes the twenty two (22) counties in the western portion of upstate New

York. Those counties are: Allegany, Broome, Cattaraugus, Cayuga, Chautauqua, Chemung, Cortland, Erie, Genesee, Livingston, Monroe, Onondaga, Ontario, Orleans, Schuyler, Seneca, Steuben, Tioga, Tompkins, Wayne, Wyoming, and Yates.

FOCUS OF INVESTMENT ACTIVITY AND CAPITAL INVESTMENT THRESHOLD:

The USCIS-approved focus of the UNYRC business plan and job creation analysis and multipliers is to generate immigrant investor capital into the following target industry commercial enterprise activities:

1. Agriculture, Natural Resources and Mining;
2. Manufacturing;
3. Trade, Transportation and Utilities;
4. Information;
5. Financial Activities;
6. Leisure and Hospitality;
7. Professional and Business Services;
8. Education and Health Services; and
9. Other Services.

If any investment opportunities arise that are beyond the scope of the approved industry clusters, then an amendment would be required to add that cluster.

As such, aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the UNYRC area. The geographic focus of this area contains numerous High Unemployment Targeted Employment Areas (TEA) to be determined by the State of New York on a case-by-case basis, and rural TEA's as defined in 8 CFR 204.6(e). Therefore, the minimum capital investment threshold for any individual immigrant investment into an approved commercial enterprise throughout the Regional Center shall be not less than \$500,000, if the investment target is located within a TEA or \$1,000,000 if located outside of a TEA.

EMPLOYMENT CREATION:

Immigrant investors who file petitions for commercial enterprises located in the UNYRC area must fulfill all of the requirements set forth in 8 CFR 204.6, except that the petition need not show that the new commercial enterprises created ten new jobs indirectly as a result of the immigrant investor's investment. This determination has been established by way of USCIS' acceptance of the final economic analysis that is contained as part of the approved UNYRC proposal and its indirect job creation model and multipliers contained within the final approved UNYRC application package.

In addition, where job creation or preservation of existing jobs is claimed based on a multiplier rooted in underlying new “direct jobs” in support of an immigrant investor’s individual I-526 petition affiliated with the NJRC, then:

- To be credited with projected creation of new “direct” jobs for “qualifying employees” upon filing the I-526 petition, then the petition must be supported by a comprehensive detailed business plan and supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for “qualifying employees” to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).

An alien investor’s I-829 petition to remove the conditions which was based on an I-526 petition approval that involved the creation of new direct jobs or the creation of new indirect jobs based on a multiplier tied to underlying new direct jobs needs to be properly supported by evidence of job creation. To support the full number of direct and indirect new jobs being claimed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien’s investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

Each individual petition, in order to demonstrate that it is associated with the UNYRC, in conjunction with addressing all the requirements for an individual immigrant investor petition, shall also contain as supporting evidence relating to this amended regional center designation, the following:

1. A copy of this letter for the UNYRC approval and designation.
2. A copy of the USCIS approved regional center narrative proposal and business plan.
3. A copy of the job creation methodology required in 8 CFR 204.6(j)(4)(iii), as contained in the final regional center economic analysis which has been approved by USCIS, which reflects that investment by an individual immigrant investor will create not fewer than ten (10) full-time employment positions, either directly or indirectly, per immigrant investor.
4. A legally executed copy of the USCIS approved:
 - a. Private Placement Memorandum;
 - b. Subscription Agreement; and
 - c. LLC Operating Agreement.

DESIGNEE'S RESPONSIBILITIES INHERENT IN CONDUCT OF THE NJRC REGIONAL CENTER:

The law, as reflected in the regulations at 8 CFR 204.6(m)(6), requires that an approved regional center in order to maintain the validity of its approval and designation must continue to meet the statutory requirements of the Immigrant Investor Pilot Program by serving the purpose of promoting economic growth, including increased export sales (where applicable), improved regional productivity, job creation, and increased domestic capital investment. Therefore, in order for USCIS to determine whether your regional center is in compliance with the above cited regulation, and in order to continue to operate as a USCIS approved and designated regional center, your administration, oversight, and management of your regional center shall be such as to monitor all investment activities under the sponsorship of your regional center and to maintain records, data and information on a quarterly basis in order to report to USCIS upon request the following year to date information for each Federal Fiscal Year¹, commencing with the initial year as follows:

1. Provide the principal authorized official and point of contact of the regional center responsible for the normal operation, management and administration of the regional center.

7. The total aggregate sum of EB-5 alien capital invested through your regional center for each Federal Fiscal Year to date since your approval and designation.

Re: Upstate New York Regional Center, LLC

Application: Request for Amendment to a Regional Center
Applicant(s): William P. Gresser, Jr.

Upstate New York Regional Center, LLC
RCW1034050033 (formerly W09003890)

Pursuant to Section 610 of the Appropriations Act of 1993, on June 11, 2008, Upstate New York Regional Center, LLC submitted a proposal seeking approval and designation by U.S. Citizenship and Immigration Services (USCIS) as a Regional Center. On January 8, 2009 the request to designate the Upstate New York Regional Center, LLC as a Regional Center within the Immigrant Investor Pilot Program was approved. On November 22, 2010, Upstate New York Regional Center, LLC, requested that an amendment be made to the Regional Center to include the entire State of New York as the geographic area of the Regional Center.

Based on its review and analysis of your proposed amendment the USCIS approves the request as described below:

GEOGRAPHIC AREA:

Upstate New York Regional Center, LLC shall include the entire State of New York.

FOCUS OF INVESTMENT ACTIVITY:

As depicted in the economic model using IMPLAN the general proposal and the economic analysis, the Regional Center will engage in the following nine (9) target industry economic clusters:

1. Agriculture, Natural Resources and Mining;
2. Manufacturing;
3. Trade, Transportation and Utilities;
4. Information;
5. Financial Activities;

6. Leisure and Hospitality;
7. Professional and Business Services;
8. Education and Health Services and
9. Other Services.

If any investment opportunities arise that are beyond the scope of the approved industry clusters, then an amendment would be required to add that cluster.

The final determination of whether any particular area is a Targeted Employment Area is made at the time of investment or the time of filing the I-526, whichever occurs first. Therefore, the Regional Center may contain some High Unemployment Targeted Employment Areas (TEAs) as designated by the State of New York and rural TEAs as defined in 8 CFR 204.6(e).

Therefore, the minimum capital investment threshold for any individual immigrant investment into an approved commercial enterprise throughout the Regional Center shall be not less than \$500,000, if the investment target is located within a TEA or \$1,000,000 if it is located outside of a TEA. No debt arrangement will be acceptable unless it is secured by assets owned by the alien entrepreneur. A full capital investment must be made and placed at risk. Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the approved Regional Center area.

For any alien requesting the reduced threshold of \$500,000 based upon an investment in a Targeted Employment area, the alien must establish at the time of filing of the I-526 petition that either the investment will be made in a TEA designated area or was in a TEA designated area at the time of the alien's initial investment into the enterprise.

EMPLOYMENT CREATION

Immigrant investors who file petitions for commercial enterprises located in the Regional Center area must fulfill all of the requirements set forth in 8 CFR 204.6, except that the petition need not show that the new commercial enterprises created ten new jobs indirectly as a result of the immigrant investor's investment. This determination has been established by way of USCIS' acceptance of the final economic analysis that is contained as part of the approved Regional Center proposal and its indirect job creation model and multipliers contained within the final approved Regional Center application package. Rather, the investor must show at the time of removal of conditions that they performed the activities described in the model and on which the approved methodology is based.

Multiplier based on underlying new "direct jobs"

In addition, where job creation or preservation of existing jobs is claimed based on a multiplier rooted in underlying new "direct jobs", the immigrant investor's individual I-526 petition affiliated with your Regional Center, should include as supporting evidence:

- A comprehensive detailed business plan with supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for "qualifying employees" to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).

An alien investor's I-829 petition to remove the conditions which was based on an I-526 petition approval that involved the creation of new direct jobs or the creation of new indirect jobs based on a multiplier tied to

underlying new direct jobs needs to be properly supported by evidence of job creation. To support the full number of direct and indirect new jobs being claimed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien's investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

Preservation or creation of direct jobs

Where preservation or creation of "direct jobs" is claimed in support of an immigrant investor's I-526 petition affiliated with the Regional Center, then:

- To be credited with projected creation of new "direct" jobs for "qualifying employees" upon filing the I-526 petition, then the petition must be supported by a comprehensive detailed business plan and supporting financial, marketing and related data and analysis providing a reasonable basis for projecting creation of any new direct jobs for "qualifying employees" to be achieved/realized within two years pursuant to 8 CFR 204.6(j)(4)(B).
- For the purposes of an alien investor's filing of a subsequent I-829 petition to remove the conditions wherein the investment through the Regional Center involved the creation of new direct jobs or the creation of new indirect jobs based upon a multiplier tied to underlying new direct jobs, then to support the full number of direct and indirect new jobs being claimed, an alien's subsequent I-829 petition filed in connection with removal of conditions, the petition will need to be supported by probative evidence of the number of new direct full time (35 hours per week) jobs for qualified employees whose positions have been created as a result of the alien's investment. Such evidence may include copies of quarterly state employment tax reports, Forms W-2, Forms I-9, and any other pertinent employment records sufficient to demonstrate the number of qualified employees whose jobs were created directly.

Additional Guidelines for individual Immigrant Investors Visa Petition (I-526)

Each individual petition, in order to demonstrate that it is associated with the Regional Center, in conjunction with addressing all the requirements for an individual immigrant investor petition, shall also contain as supporting evidence relating to this Regional Center designation, the following:

1. A copy of this letter, the Regional Center approval and designation.
2. A copy of the USCIS approved Regional Center narrative proposal and business plan.
3. A copy of the job creation methodology required in 8 CFR 204.6(j)(4)(iii), as contained in the final Regional Center economic analysis which has been approved by USCIS, which reflects that investment by an individual immigrant investor will create not fewer than ten (10) full-time employment positions, either directly or indirectly, per immigrant investor.
4. A legally executed copy of the USCIS approved:
 - a. Operating Agreement (Sample submitted November 22, 2010)
 - b. Private Placement Memorandum (Not submitted with amendment request)
 - c. Subscription Agreement and (Sample submitted November 22, 2010)

- d. Escrow Agreement and Instructions (Sample submitted November 22, 2010)

DESIGNEE'S RESPONSIBILITIES INHERENT IN CONDUCT OF THE REGIONAL CENTER:

The law, as reflected in the regulations at 8 CFR 204.6(m)(6), requires that an approved Regional Center in order to maintain the validity of its approval and designation must continue to meet the statutory requirements of the Immigrant Investor Pilot Program by serving the purpose of promoting economic growth, including increased export sales (where applicable), improved regional productivity, job creation, and increased domestic capital investment. Therefore, in order for USCIS to determine whether your Regional Center is in compliance with the above cited regulation, and in order to continue to operate as a USCIS approved and designated Regional Center, your administration, oversight, and management of your Regional Center shall be such as to monitor all investment activities under the sponsorship of your Regional Center and to maintain records, data and information on a quarterly basis in order to report to USCIS upon request the following year to date information for each Federal Fiscal Year¹, commencing with the initial year as follows:

1. Provide the principal authorized official and point of contact of the Regional Center responsible for the normal operation, management and administration of the Regional Center.

4. Be prepared to provide:
 - a. the name, date of birth, petition receipt number, and alien registration number (if one has been assigned by USCIS) of each principal alien investor who has made an investment and has filed an EB-5/I-526 Petition with USCIS, specifying whether:
