Re: US Employment Development Lending Center, LLC  
RCW1031910173 (Formerly W09000860)

Pursuant to Section 610 of the Appropriations Act of 1993, on July 30, 2009, John Shen submitted a proposal seeking approval and designation by U.S. Citizenship and Immigration Services (USCIS) of the US Employment Development Lending Center, LLC. Based on its review and analysis of your proposal, USCIS hereby designates the US Employment Development Lending Center, LLC as a Regional Center within the Immigrant Investor Pilot Program and approves the request as described below:

**GEOGRAPHIC AREA:**

The US Employment Development Lending Center, LLC (USEDLC) shall have a geographic scope which includes the State of California in its entirety.

**FOCUS OF INVESTMENT ACTIVITY:**

As depicted in the economic model, the general proposal and the economic analysis, the Regional Center will engage in the following economic activities: Business Loans in Construction, Agriculture, Professional Services, Manufacture, Automotive Repair, and Information Services.

The Regional Center for EB-5 Immigrant purposes shall focus investments into new commercial enterprises that provide business loans in the following target industry economic clusters:

- Construction
- Professional Services and Other
- Agriculture
- Manufacturing
- Information Services

### Health Services

If any investment opportunities arise that are beyond the scope of the approved industry clusters, then an amendment would be required to add that cluster. Aliens seeking immigrant visas through the Immigrant Investor Pilot Program may file individual petitions with USCIS for these commercial enterprises located within the approved Regional Center area. The geographic focus of this area may contain some High Unemployment Targeted Employment Areas (TEAs) as designated by the State of California. Therefore, the minimum capital investment threshold for any individual immigrant investment into an approved commercial enterprise throughout the Regional Center shall be not less than \$500,000, if the investment target is located within a TEA or \$1,000,000 if it is located outside of a TEA. No debt arrangement will be acceptable unless it is secured by assets owned by the alien entrepreneur. A full capital investment must be made and placed at risk.

For any alien requesting the reduced threshold of \$500,000 based upon an investment in a Targeted Employment area, the alien must establish at the time of filing of the I-526 petition that either the investment will be made in a TEA designated area or was in a TEA designated area at the time of the alien's initial investment into the enterprise.

### **EMPLOYMENT CREATION AND I-526 DOCUMENTATION**

To demonstrate that an individual alien investor is associated with your regional center, each alien entrepreneur petition, in conjunction with addressing all the requirements for that petition, shall also contain supporting evidence relating to this Capital Investment Project and the regional center designation, as follows:

1. A Copy of this letter, Regional Center approval and designation.
2. The Project Business Plan(s) with all supporting parts and exhibits to be current at the time of filing the I-526 showing the project or projects which will receive the individual investor's funds.
3. Current letter from the Office of the Governor of California designating the project areas and the surrounding areas as high unemployment area or other current evidence from the U.S. Census Bureau is a rural area. This will not be necessary for any future projects not in targeted areas for which the minimum investment amount is \$1,000,000.
4. The Economic Analysis using the IMPLAN economic model prepared by ADE.
5. Confidential Private Placement Memorandum (draft dated February 3, 2010).
6. Agreement of Limited Partnership (sample submitted February 11, 2010).
7. Subscription Agreement (sample submitted February 11, 2010).

The documents listed above, when submitted in conjunction with an I-526, must be signed and dated. In addition to the above documents, each I-526 entrepreneur should provide a description or update of the project's progress as of the time of filing. This Capital Investment Project may also be used as an Exemplar Investment Project for other similar projects located within the Regional Center.

### **DESIGNEE'S RESPONSIBILITIES INHERENT IN CONDUCT OF THE REGIONAL CENTER:**
