Application: Form I-924, Application for Regional Center under the Immigrant Investor Pilot Program

Applicant(s): Ohio International Investment Center LC

Re: Initial Regional Center Designation
Ohio International Investment Center LC
RCW1421251834 / ID1421251834

This notice is in reference to the Form I-924, Application for Regional Center under the Immigrant Investor Pilot Program that was filed by the applicant with the U.S. Citizenship and Immigration Services ("USCIS") on July 31, 2014. The Form I-924 application was filed to request approval of initial regional center designation under the Immigrant Investor Program. The Immigrant Investor Program was established under § 610 of the Department of Commerce, Justice and State, the Judiciary, and Related Agencies Appropriations Act of 1993 (Pub. L. 102-395, Oct. 6, 1992, 106 Stat. 1874).

I. Executive Summary of Adjudication

Effective the date of this notice, USCIS approves the Form I-924 request to designate Ohio International Investment Center LC as a qualifying participant in the Immigrant Investor Program.

II. Regional Center Designation – Limited Decision

The applicant submitted its Form I-924 requesting specific industry categories, geographic regions, and multiple hypothetical projects to be identified for the Regional Center's use.

Upon review of the record, USCIS has determined that not all of the requested geographic regions provided in the Form I-924 represent an appropriate application of a hypothetical project to support the industry categories, and/or geographic regions acceptable for use by the Regional Center.

As such, USCIS has concluded that a limited decision is necessary in this case. Therefore, all requested, approved, and disallowed geographic regions.

A. Industry Categories and Geographic Regions Requested

The applicant has requested to focus, promote economic growth, and offer capital investment opportunities in the following geographic areas and industry categories:

1. Geographic Areas - Requested

State	Counties			
Ohio	All Counties			

B. Approved Industry Categories and/or Geographic Areas

The following industry categories and/or geographic areas have been determined to represent an appropriate application of a hypothetical project to support the geographic regions acceptable for use by the Regional Center.

1. Geographic Areas - Approved

State	Counties/Cities	
State of Ohio	City of Columbus	
	Counties of Delaware, Fairfield, Franklin, Hocking, Licking, Madison, Morrow, Perry, Pickaway, and Union	

C. Disallowed Industry Categories and/or Geographic Areas

The following geographic areas have been disallowed because it has been determined that they do not represent an appropriate application of a hypothetical project to support the geographic regions acceptable for use by the Regional Center.

1. Geographic Areas - Disallowed

State	Counties
Ohio	Adams, Allen, Ashland, Ashtabula, Athens, Auglaize, Belmont, Brown, Butler, Carroll, Champaign, Clark, Clermont, Clinton, Columbiana, Coshocton, Crawford, Cuyahoga, Darke, Defiance, Erie, Fayette, Fulton, Gallia, Geauga, Greene, Guernsey, Hamilton, Hancock, Hardin, Harrison, Henry, Highland, Holmes, Huron,

	Jackson, Jefferson, Knox, Lake, Lawrence, Logan, Lorain, Lucas, Mahoning, Marion, Medina, Meigs, Mercer, Miami, Monroe, Montgomery, Morgan, Muskingum, Noble, Ottawa, Paulding, Pike Portage, Preble, Putnam, Richland, Ross, Sandusky, Scioto, Seneca, Shelby, Stark, Summit, Trumbull, Tuscarawas, Van Wert, Vinton, Warren, Washington, Wayne, Williams, Wood, and Wyandot
--	---

The allowed counties were cited in the Economic Impact Study and shown to be affected by the Regional Center’s activities. There was no such evidence of impact in the disallowed counties.

B. Industry Categories¹

NAICS Code	Industry
721110	Hotels (except Casino Hotels) and Motels
6233	Continuing Care Retirement Communities and Assisted Living Facilities for the Elderly
236200	Nonresidential Building Construction
236110	Residential Building Construction

III. Job Creation

USCIS approves the geographic area and industry categories noted above based on the economic impact analysis presented and reviewed in conjunction with the adjudication of this regional center proposal.

This hypothetical project does not have the factual details necessary to be in compliance with the requirements described in Matter of Ho, 22 I&N Dec. 206 (Assoc. Comm’r 1998), and therefore, USCIS’s approval of the hypothetical job creation estimates presented in the Form I-924 will not be accorded deference and may not be relied upon by an individual investor when filing the Form I-526. The business plan and job creation estimates will receive a de novo review by USCIS when an individual investor files Form I-526. Once an actual project is adjudicated upon the filing of the initial Form I-526, USCIS will give deference to subsequent Forms I-526 when the critical assumptions remain materially unchanged from the initially approved Form I-526.

¹ USCIS issued a Policy Memorandum (PM-602-0083) on the subject of “EB-5 Adjudication Policy,” dated May 30, 2013, stating that formal amendments to the regional center designation are no longer required when a regional center changes its industries of focus or geographic boundaries. A regional center may still elect to pursue a formal amendment by filing Form I-924 if it seeks certainty in advance that changes in the industries or the geographic area TMwill be permissible prior to filing Form I-526 petitions.

When filing Form I-526, it will be the responsibility of the individual investor to submit a comprehensive, detailed and credible business plan, showing by a preponderance of the evidence that his or her investment in the new commercial enterprise will create not fewer than 10 full-time positions. If prior to filing a form I-829, the job creation estimated in the business plan submitted by the individual investor materially changes or will not be realized, then it will be the responsibility of the EB-5 investor to notify USCIS of an agreed upon methodology to allocate job creation among eligible investors.

IV. Guidelines for Filing Form I-526 Petitions

Each individual petition, in order to demonstrate that it is affiliated with the Ohio International Investment Center LC, in conjunction with addressing all the requirements for an individual immigrant investor petition, shall also contain the following:

1. A copy of this regional center approval notice and designation letter including all subsequent amendment approval letters (if applicable).
2. An economic impact analysis which reflects a job creation methodology required at 8 CFR § 204.6 (j)(4)(iii) and shows how the capital investment by an individual immigrant investor will create not fewer than ten (10) indirect jobs for each immigrant investor.
3. A comprehensive, detailed and credible business plan for an actual project that contains the factual details necessary to be in compliance with the requirements described in Matter of Ho, 22 I&N Dec. 206 (Assoc. Comm'r 1998).
4. Legally executed organizational documents of the commercial enterprise.

Note: The project reviewed with this Form I-924 application is a hypothetical project. Organizational and transactional documents associated with the new commercial enterprise (NCE) submitted with this Form I-924 have not been reviewed to determine compliance with program requirements since these documents will receive de novo review in subsequent filings (e.g., an amended Form I-924 application with a Form I-526 exemplar or the first Form I-526 petition filed by an investor under the regional center project).

V. Designee's Responsibilities in the Operations of the Regional Center

As provided in 8 CFR § 204.6 (m)(6), to ensure that the regional center continues to meet the requirements of section 610(a) of the Appropriations Act, a regional center must provide USCIS with updated information to demonstrate the regional center is continuing to promote economic growth, improved regional productivity, job creation, and increased domestic capital investment in the approved geographic area. Such information must be submitted to USCIS on an annual basis or as otherwise requested by USCIS. The applicant must monitor all investment activities under the sponsorship of the regional center and to maintain records in order to provide the information required on the Form I-924A

Supplement to Form I-924. Form I-924A, Supplement to Form I-924 Application is available in the "Forms" section on the USCIS website at www.uscis.gov.

Regional centers that remain designated for participation in the Immigrant Investor Program as of September 30th of a calendar year are required to file Form I-924A Supplement in that year. The Form I-924A Supplement with the required supporting documentation must be filed on or before December 29th of the same calendar year.

The failure to timely file a Form I-924A Supplement for each fiscal year in which the regional center has been designated for participation in the Immigrant Investor Program will result in the issuance of an intent to terminate the participation of the regional center in the Immigrant Investor Program, which may ultimately result in the termination of the designation of the regional center.

The regional center designation is non-transferable.

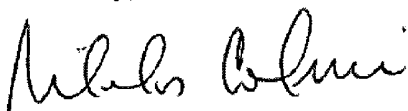

VI. Legal Notice

This approval and designation of a Regional Center under the Immigrant Investor Program does not constitute or imply an endorsement or recommendation by USCIS, the United States Government or any instrumentality thereof, of the investment opportunities, projects or other business activities related to or undertaken by such Regional Center. Except as expressly set forth in this approval and designation, USCIS has not reviewed any information provided in connection with or otherwise related to the Regional Center for compliance with relevant securities laws or any other laws unrelated to eligibility for designation as a Regional Center. Accordingly USCIS makes no determination or representation whatsoever regarding the compliance of either the Regional Center or associated New Commercial Enterprises with such laws.

Each Regional Center designated by USCIS must monitor and oversee all investment offerings and activities associated with, through or under the sponsorship of the Regional Center. The failure of an associated New Commercial Enterprise to comply with all laws and regulations related to such investment offerings and activities may result in the issuance by USCIS of a notice of intent to terminate the Regional Center designation.

If the applicant has any questions concerning the regional center designation under the Immigrant Investor Program, please contact the USCIS by email at USCIS.ImmigrantInvestorProgram@uscis.dhs.gov.

Sincerely,

Nicholas Colucci
