RE: Reaffirmation of Regional Center Designation RC ID#: 1031910013

DECISION

This notice is in reference to the regional center designation of Crown Point Regional Center (“the Regional Center”), which was initially issued by U.S. Citizenship and Immigration Services (“USCIS”) on May 3, 2011. Upon designation, USCIS authorized the regional center’s participation in the Immigrant Investor Program (the “Program”) pursuant to section 610 of the Departments of Commerce, Justice and State, the Judiciary, and Related Agencies Appropriations Act, 1993, Pub. L. 102-395, as amended (“Public Law 102-395”).¹ Pursuant to 8 C.F.R. § 204.6(m)(6), regional centers must demonstrate continued eligibility for regional center designation and are required to file Form I-924A, Supplement to Form I-924 (“Form I-924A”) on an annual basis.

On June 19, 2015, USCIS notified the Regional Center of its intent, pursuant to 8 C.F.R. § 204.6(m)(6), to terminate its participation as a regional center in the Program for failure to continue to promote economic growth (including increased export sales, improved regional productivity, job creation, and increased domestic capital investment). The Notice of Intent to Terminate (“NOIT”) provided the Regional Center an opportunity to offer evidence in opposition to the grounds stated in the NOIT.

On July 20, 2015, in response to the NOIT, the Regional Center submitted evidence to USCIS of its various efforts to promote economic growth. After considering the evidence, USCIS reaffirms the existing regional center designation for the Regional Center.

Sincerely,

¹ On September 28, 2012, President Obama signed into law Senate bill S. 3245, which amended section 610 of Public Law 102-395. S. 3245 struck the word “pilot” from section 610 of Public Law 102-395 and extended the Immigrant Investor Program until September 30, 2015.
